

Payment Rules

Date: 28/1/2008

Membership fees

Single membership: One family member

Family membership: For more than one family member

The membership fee covers the ASA fee, cat 1, cat 2 or cat 3 and other general costs of running the key (eg subsidising the buses to galas, lifeguards, coaches)

Exceptions:

Insurance is paid by the club for: students, officials, committee members, helpers, and honorary members. They do not pay because of the services they are providing the club.

Officials, helpers and committee members are usually paying some sort of fee for their swimmers. Students don't usually cost us anything because they are paid by their first club.

Squad fees

All swimmers pay based on the first two family members pay full amount, 3rd one pays a quarter, and 4th pays nothing.

Exceptions:

Currently coaches don't pay for their time in the pool. Any other exception such as if a committee member wanted to swim as a master would have to go to the committee for approval.

(NB a swimmer is a much more expensive insurance category than an official)

These rules will be revised from time to time depending on how much the club can afford to cover the exceptions.
