

Sandbach Sharks Gala Calendar 2010

Please find the 2010 Gala Calendar attached at the bottom of this communication.

For 2010 we have tried to accommodate open galas for swimmers at all levels of ability. We have kept some of the local events which our swimmers have enjoyed in the past whilst also adding a few new ones to enable swimmers to compete at different distances and against new competition.

The gala titles listed in red are confirmed dates. The titles in black are subject to change/confirmation. There will also be the addition of the Club Championships and Mini Meets as dates are arranged.

Key points on Open Gala entries

- The Open Gala's and League Competitions on this calendar are the only events which will be supported by the Coaching Team and Gala Manager. Any additional events a swimmer may like to attend will not be the responsibility of Sandbach Sharks. In this event you may wish to consult with the Head Coach so she is aware of any additional competitions you propose to enter. It is important that our swimmers do not over compete.
- Publication of these galas will now be by email and on noticeboards and not by paper copies as before. It will be your own responsibility to access the relevant website(details are on the calendar) and print the entry forms.
- All entry forms need to be fully and accurately completed. This includes all personal information including ASA numbers, DOB and signatures of swimmers if required.
- All entry times need to be accurate and valid unless prior agreement with the Head Coach is made.
- Forms will need to be submitted by the date given by the Gala Manager – some galas are first come first served so we need to submit our forms well in advance of the official closing date. Late entries cannot be accepted.
- All cheques need to be payable to Sandbach Sharks for the correct amount. This should include a £1 admin fee for each day of the event that you enter.
